**TENDER FOR EXPRESSION OF INTEREST FOR UTILISATION OF  
RESOURCE FOR PRODUCTION OF TISSUE CULTURE PLANTLETS**

National Seeds Corporation Limited (NSC) has established a Tissue Culture Laboratory at **Plot No.150, Industrial Estate, Mancheswar, Bhubaneswar, Orissa** with a plinth area of 350 sq.mtr. approximately. The laboratory has a media preparation room ( 11' x 21.8", production room ( of 23.5' x 26' ) a checking room and two growth rooms of 23.5' x 32' and 19' x 25' size with a production capacity of about 10 lakh tissue culture plants annually. Necessary equipments and other provisions required like racks etc. have also been provided. Besides a Poly house of 800 sq. mtr is also available for hardening. NSC is desirous to hand over the fully equipped facility for production and marketing of tissue cultured plantlets to the successful tenderers. Interested parties may visit the site at the above mentioned address.

Tenderers will be allowed to produce tissue culture plantlets of banana / bamboo which they may sell by themselves by paying a royalty for each plant to be produced and sold by them. NSC will be willing to allow the successful tenderer to sell about 60 to 75 per cent of the total plantlets produced by themselves and the remaining about 25% may be utilized by the Corporation for own sale. In case of purchase by NSC, the purchase rate will be decided by mutual consent. The desirable production level will be not less than 75% of the production capacity of the laboratory.

NSC invites EOI from reputed agencies who would be interested to utilize this facility for production and sale of tissue culture plants . The contract will be valid for a period of three years initially which can be extended further on mutually agreed terms.

Interested parties may submit their bid by the due date fixed for submission of tender. The tenderer should have following competence;

1. The procedures / protocol should be owned by the tenderer.
2. Tenderer should have prior experience in the production and sale of the tissue culture plantlets which should be proved by documents.
3. Tenderer should use their own technical staff, protocol, and mother plants to undertake the production. They should also furnish the details of tissue culture work done by them.

## **TWO BID SYSTEMS**

Two independent sealed envelopes should be prepared as detailed below:

- Envelope No.1 (Sealed):- This envelope should be marked as Technical bid and should contain papers with covering letter on letter head (with name, address etc. on left side of the envelope) giving the detailed technical information as required vide Part-A of the tender document. EMD amount be kept in the sealed envelop failing which commercial bid will not be considered.
- Envelope No.2 (Sealed):- This envelope should be marked as Commercial bid and should contain royalty rate offered by the party as detailed vide PART-B of this tender.
- Both the envelopes should be inserted in one big size envelope (sealed), super scribing “Expression of interest for Production and sale of of Tissue Culture Plantlets” – to be opened on 29.3.2010.
