The eligibility to call an employee for interview and assessment of his suitability for promotion shall be determined subject to securing minimum prescribed points under the Evaluation System as laid down in this policy.
- 2.3 While promotions within the Groups will not be vacancy based. The promotions from **S-8 to Group-I and from Group-I to Group-II** will be subject to availability of vacancies at the lowest rung of the respective Group. a) Promotion orders of individual may, in the first instance, be issued without specifying the pay, the individual would get on promotion. The individual should, however, be asked simultaneously, to exercise, option as to whether:

his pay be fixed in the higher post on the basis of FR-22 straight away from the date of his promotion, or

his pay on the promotion be fixed initially in the manner as provided under FR-22 (a) (I), in which case he would become entitled for fixation of pay on the basis of the provision of FR-22 on the date of accrual of next increment in the scale of the pay of the lower post; the next date of increment will fall due on completion of 12 months qualifying *service from the date, pay is fixed on second occasion*.

b) On receipt of this option, regular orders of pay fixation be issued.

Thereafter his case for promotion will only be considered when he makes a written submission to the effect that he is prepared to move out on promotion to other RO/ AO.

## 8.0 **DEPARTMENTAL PROMOTION COMMITTEE**

### 8.1 **Functions & composition**

For effecting the promotions, it will be ensured that suitability of the candidates for promotion is considered in an objective and impartial manner. In such a case, Rules in force on the date of DPC meeting will be followed.

## 9.0 **General Instructions/ guidelines:**

Promotion is earned by hard work, good conduct and result oriented performance as reflected in Performance Appraisal Report. Only performance 'Above Average' entitles an officer to recognition and suitable reward by way of promotion. While 'Average' is not an adverse remark, it cannot be regarded as complimentary for promotion purposes.

Promotion shall not be claimed a matter of right. Consideration of an officer by the DPC, who is otherwise eligible and falls within the zone of consideration, shall be legal necessity.

All promotions will be made effective from the date the employee actually assumes charge of the promoted post. Officers who are on tour on company's business are deemed to have assumed charge of the higher post w.e.f. the normal effective date and are allowed to draw pay of the higher post from such date.

DPC should assess the suitability of the employees for promotion on the basis of their Service Records and Performance Appraisal Reports (APR) for maximum 5 preceding years only. In case, APR for any particular period under reference is not available despite efforts made to get the same, then ACR for a year proceeding to the 5 years period can be considered by the DPC.

An up-dated discipline wise seniority list of the persons is prepared and a copy thereof be circulated to the persons concerned every year inviting objections, if any.

Proceedings of DPC are valid only if all the Members are duly invited for the meeting and a majority of them including the Chairman are present.

The names of the officers who are on deputation, either on their own *volition* or in public interest (including Foreign Service) should also be included in the list submitted to the DPC for consideration if their names fall in the zone of consideration and fulfill the eligibility conditions and will be considered for Proforma promotion.

The instructions issued from time to time by the Deptt. of Personnel & Training regarding reservation and concessions to be allowed to SC/ ST or OBC candidates should be taken into consideration by the DPC.

## 9.1 **Papers to be put up to DPC**
