## CORRIGENDUM

This is in reference to E-tender Notice No. IT-10905, dated 27.08.2025, invited for Supply of fresh finished product of various varieties of certified categories Vegetables Seeds i.e., Onion, Garlic Bulb, Fenugreek (Methi), Coriander (Dhania) and Chilli on F.O.R Odisha (Up to Block Level destinations) basis, when all packing materials will be arranged by the tenderer/ supplier and payment after payment basis.

In respect to the above tender some modification are made as follow:

### 1. Packing Size:

Table-1

| S. No.      | Crop               | Variety                                                                                                                                                                     | Class of seed | Total Qty. Required (in Qtls.) | Previous Packing Size (In Kg) | Modified Packing Size (In Kg) |
|-------------|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|--------------------------------|-------------------------------|-------------------------------|
| 1           | 2                  | 3                                                                                                                                                                           | 4             | 5                              | 6                             | 7                             |
| 1           | Onion seeds        | Bhima Super, Bhima Shakti, Bhima Red, Arka Kalyan, Arka Niketan, AFLR and other such popular varieties suitable for cultivation in Odisha                                   | Certified     | 600.00                         | As per NSC Requirement        | 1.000                         |
| 2           | Garlic Bulb        | Yamuna Safed-3, Yamuna Safed-4, Agrifound White, Agrifound Red, Bhima Omkar, Bhima Purple and other such popular varieties suitable for cultivation in Odisha               | Certified     | 7500.00                        |                               | 20 to 25                      |
| 3           | Fenugreek (Methi)  | RMT-1, RMT-305, AFg-2, Rajendra Kranti, Pusa Early Bunching (PEB), CO-1, Hissar Sonali, Lam Selection-1 and other such popular varieties suitable for cultivation in Odisha | Certified     | 375.00                         |                               | 0.500                         |
| 4           | Coriander (Dhania) | Suguna, Swati, ACr-2, Shakti, Chandrahasini-2, APHU Dhania-1(LCC-170), AGCr-1and other such popular varieties suitable for cultivation in Odisha                            | Certified     | 900.00                         |                               | 0.500                         |
| 5           | Chilli             | Arka Neelanchal Prabha, Arka Lohit, Utkal Rashmi, Utkal Ava, Utkal Ragini, Guntur Hope, Pusa Jwala and other such popular varieties suitable for cultivation in Odisha      | Certified     | 100.00                         |                               | 0.100                         |
| GRAND TOTAL |                    |                                                                                                                                                                             |               | 9475.00                        |                               |                               |

2. Further tenderers are required to submit the crop wise successful execution of supply order by the agency during the last 2(two) in this firm letter head as per below table: (Separate for each crops)

| Sr. No. | Name of the organization | Order No. & Date | Crop | Variety | Ordered Qty. In qtls. | Actual Qty supplied in qtls. | Quality complaints if any in qtls. |
|---------|--------------------------|------------------|------|---------|-----------------------|------------------------------|------------------------------------|
|         |                          |                  |      |         |                       |                              |                                    |
|         |                          |                  |      |         |                       |                              |                                    |
|         |                          |                  |      |         |                       |                              |                                    |
|         |                          |                  |      |         |                       |                              |                                    |
|         |                          |                  |      |         |                       |                              |                                    |

3. General Label : The seed packets should be properly labeled as per the template attached below, including Govt. logo, OSSC logo etc. and affixed with producer label as per template I & II and certification tags issued by the concerned Certification Agency.

Template for producer label

**Template-I**

|                                                                           |
|---------------------------------------------------------------------------|
| Kind:                                                                     |
| Variety:                                                                  |
| Lot Number:                                                               |
| Date, month year of test                                                  |
| Validity up to:                                                           |
| Adaptability                                                              |
| Germination (minimum) %                                                   |
| Physical Purity (minimum)%                                                |
| Genetic Purity (in case of variety) (minimum) %                           |
| Weight:                                                                   |
| Name of the chemical used for seed treatment, if seed is treated Seller's |
| Name and address:                                                         |

[The length and breadth of the mark or label seeds shall be 15x10 cm]

**Template-II**

|                                                                            |
|----------------------------------------------------------------------------|
| Variety:                                                                   |
| Class:                                                                     |
| Lot Number:                                                                |
| Date, month year of test                                                   |
| Validity up to:                                                            |
| Adaptability                                                               |
| Germination (minimum) %                                                    |
| Physical Purity (minimum)%                                                 |
| Genetic Purity (in case of variety) (minimum) %                            |
| Weight:                                                                    |
| Name of the chemical used for seed treatment, if seed is treated           |
| Produced by:                                                               |
| Marketed by: Odisha State Seeds Corporation Ltd, Samantrapur, Bhubaneswar. |

4. It has come to our notice that in the Technical Bid and Financial Bid documents, the variety has been incorrectly mentioned as "Shakti Chandrahasini-2". We would like to clarify that **"Shakti" and "Chandrahasini-2" are two distinct varieties**. Therefore, all tenderers are hereby requested to kindly **\*\*read and interpret the mentioned variety as: "Shakti" and "Chandrahasini 2" (two separate entries)**, instead of "Shakti Chandrahasini-2". All bidders are also requested to **offer the quantity and quote their rates for each variety separately in Technical BID & Financial Bids**.

In reference to the above the **revised Technical BID & Price BID (Financial BID)** are uploaded on our e-procurement website <https://indiaseeds.enivida.com/> . The other terms and conditions of tender will remain same.

Regional Manager, NSC, Kolkata.
