ONLINE E-TENDER NOTICE

Online e-tenders are invited in two bid system at Regional Office, NSC Kolkata from the recognized seed processing plant holders situated near around from our production area in **West Bengal** state (Burdwan, Nadia) and in **Odisha** state (Sambalpur, Balasore, Kalahandi, Cuttack) and in **Assam** state (Sonitpur, Tejpur, Darrang, Udalguri) (Table-1) who have got processing facility such as godown & seed processing machinery as indicated in tender document and trained/professional man-power for operation / management of seed processing plant for processing of **Rabi/Summer 2026-27, Kharif-27, Rabi/Summer 27-28 & Kharif-28** produce, along with **Earnest Money Deposit Rs. 25,000/- (Rupees Twenty Five Thousand only)** to paid online.

The custom processors will be appointed for processing of the produce of **Rabi/Summer 2026-27, Kharif-27, Rabi/Summer 27-28 & Kharif-28** produce. The Processing Plant should be registered with valid license from State Seeds Certification Agency for year 2025-26 & to be renewed in next consecutive years. Custom Processing work has to be got done for expected raw seed as per Table-1.

Micro small enterprises MSE's registered with NSIC or any other body specified by Ministry of MSME, for such works are exempted from payment of Tender fee as well as EMD. Security deposit however, will have to be deposited in the case of grant of work.

Last date and time for receipt of Bids : 23.01.2026 upto 2.30PM

Time of Opening of Bids : 23.01.2026 at 3.00PM (In the event of this date being declared as Govt. holiday for NSC Regional Office Kolkata, the Technical Bid shall be opened on the next working date at the schedule time unless otherwise specifically required)

Regional Manager
NSC, Kolkata

INSTRUCTIONS TO BIDDER – ONLINE MODE

1. Bidders/Vendors/Suppliers/Contractors must get themselves registered on the portal for participating in the e-tenders published on <https://indiaseeds.enivida.com> by paying the charges of Rs. 2360/- (Inclusive taxes) per year.
2. Bidders must provide the details of PAN number; registration details etc as applicable and submit the related documents. The user id will be activated only after submission of complete details. The activation process will take minimum 24 working hour's enividahelpdesk@gmail.com
3. Bidders must have a valid email id and mobile number.
4. Bidders are required to obtain Class 3 Digital Certificates (Signing & Encryption) as per their company details.
5. Once bidder DSC is mapped with the user id, the same DSC must not be used for another user id on the same portal. However bidder can update the digital certificate to another user id after un-mapping it from the exiting user id.
6. Bidders now can login with the activated user Id & DSC for online tender submission process in this portal.
7. Bidders can upload required documents for the tender well in advance under My Documents and these documents can be attached to the tender during tender participation as per the tender requirements. This will save the bid submission duration/time period and reduce upload time of bid documents.
8. Bidders must go through the downloaded tender documents and prepare and upload bid documents as per the requirements of the department.
9. Once the bidders have selected the tenders they are interested in, Bidders will pay the processing fee of Rs 550/- per tender (NOT REFUNDABLE) by Net Banking / Debit / Credit Card then Bidder may download the Bid documents etc. Once Bidders will pay both fee tenders status will be shown “form received”. This would enable the e- tender Portal to intimate the bidders through e-mail in case there is any corrigendum issued to the tender document.
10. Bidders are advised to read complete BoQ/ SoQ/ Price Bid/ Financial Bid and Terms & Conditions before quoting rates in the bid document.

11. Any modification/replacement in BoQ/ SoQ/ Price Bid/ Financial bid template is not allowed. Bidders must quote only in predefined fields in the bid sheet and save the bid sheet. After saving, the same bid sheet must be uploaded in the portal.
12. Bidders must pay required payments (Tender Fee, EMD, Tender Processing Fee etc.) as mentioned in the tender document, before submitting the bid.
13. Bidders are recommended to use PDF files for uploading the documents. Only price bid sheet will be in Excel format.
14. The bidders must ensure to get themselves registered on the portal at least 1 week before the tender submission date and get trained on the online tender submission process. For tender submission and registration process bidders are advised to refer respective manuals on website. Tender inviting Authority/Department will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues like internet connectivity/PC speed/etc..
15. Offline Submission of bids/ documents/ rates by the bidders will not be accepted by the department, under any circumstance.
16. After final submission of the bid, a confirmation message and bid submission acknowledgement will be generated by the portal. The bid submission acknowledgement contains details of all documents submitted along with bid summary, token number, date & time of submission of the bid and other relevant details. Bidder can keep print of the bid submission acknowledgement.
17. If bidder is resubmitting the bid, bidder must confirm existence of all the required documents, financial bid and again submit the bid. Once submitted, the bid will be updated.
18. Submission of the bid means that the bid is saved online; but system does not confirm correctness of the bid. Correctness of the bid will be decided by tender inviting authority only.
19. The time displayed in the server is IST (GMT 5:30) and same will be considered for all the tendering activities. Bidders must consider the server time for submission of bids.
20. Bid documents being entered by the Bidders/Vendors/Contractors will be encrypted at the client end and the software uses PKI encryption techniques to ensure security/secrecy of the data. The submitted bid documents/data become readable only after tender opening by the authorized individual.

NATIONAL SEEDS CORPORATION LIMITED
(A Government of India Undertaking)
Sector – V, Block – AQ, Plot No. 12, Salt Lake, Kolkata – 700 091, WB.

Section- I

NATIONAL SEEDS CORPORATION LIMITED is interested to get the processing of seeds of various crops and varieties of Rabi/Summer 2026-27, Kharif-27, Rabi/Summer 27-28 & Kharif-28 produce. The sealed tenders in online mode are invited from the reputed and experienced registered seed plant, who have got processing facility such as godown, seed processing, machinery like Seed Cleaner cum Grader, Gravity Separator, Spiral separator, Seed Treater, Destoner, Elevator, Flight belt Conveyor, Storage Bin, Weigher Bagger, Sealer, Moisture Meter, bag closer, electric supply etc. and trained and professional man-power for operation and management of seed processing plant in Rabi/Summer & Kharif Season. The processing Plant should be registered with State Seeds Certification Agency and License should be valid for the current year ending on 31st March 2026 and to be renewed for next year.

(I) **Quantum of seeds for processing :**

- It is expected that the sizeable quantity of fresh stock may be available in Rabi/Summer and Kharif season. The quantity can vary depending upon the season and vagaries of nature. NSC will first utilize its own capacity then quantity will be spared to Custom Processors, so quantity for processing cannot be assured.
- The details of NSC Grower production programme Areas in different places/states along with tentative (qty. may increase/decrease) amount of raw seed to be processed is given in below Table-1.

Table-1

Sl.No.	State	Production Area	Season	Tentative Crop	Tentative Raw Seed Qty.(Qtls.)
1	West Bengal	Burdwan & Nadia	Rabi/Summer 2026-27	Lentil	3000
2				Sesame	300
3				Greengram	800
4				Blackgram	800
5				Lathyrus	500
6				Groundnut	200
7				Hyb. Maize	500
8				Mustrad & Toria	600
9			Kharif-27	Paddy	3000
11			Rabi/Summer 27-28	Lentil	3500
12				Sesame	350
13				Greengram	1000
14				Blackgram	1000
15				Lathyrus	600
16				Groundnut	300
17				Hyb. Maize	600
18				Mustrad & Toria	800
19			Kharif-28	Paddy	3500
				Total	21350

Sl.No.	State	Production Area	Season	Tentative Crop	Tentative Raw Seed Qty.(Qtls.)
1	Odisha	Sambalpur, Balasore, Kalahandi, Cuttack	Rabi/Summer 2026-27	Greengram	2000
2				Blackgram	2000
3				Mustard	200
4				Sesame	100
5				Lentil	1000
6				Groundnut	400
7			Kharif-27	Arhar	500
8				Blackgram	800
9				Niger	100
10			Rabi/Summer 27-28	Greengram	2500
11				Blackgram	2500
12				Mustard	300
13				Sesame	200
14				Lentil	1500
15				Groundnut	500
16			Kharif-28	Arhar	600
17				Blackgram	1000
18				Niger	200
				Total	16400

Sl.No.	State	Production Area	Season	Tentative Crop	Tentative Raw Seed Qty.(Qtls.)
1	Assam	Sonitpur (Tejpur) & Darrang, Udalguri	Rabi/Summer 2026-27	Mustard	300
2				Groundnut	400
3			Kharif-27	Paddy	2000
4				Blackgram	1000
5			Rabi/Summer 27-28	Mustard	400
6				Groundnut	500
7			Kharif-28	Paddy	2500
8				Blackgram	1200
				Total	8300

NSC does not take guarantee to provide the quantum if availability is affected by natural factors/ any other decision of the management.

- The location of the Seed Processing Plant should be near around production area convenient for transportation of raw seed to N.S.C seed growers. N S C may allot quantity to more than one custom processor in one district/location on L1 rate.
- If the stores/ processing plant shed of the Custom Processor are apart, transportation or raw/ graded/ packed seeds from one godown/ plant shed to other and vice-versa will have to be arranged by custom processor on his own cost.
- The Agreement will be effective for 02 years from the date of execution of Agreement.

Period of Contract

This contract will be for a period of **two years** and if mutually agreed it can be extended for further Two year at the same rates and same terms and conditions.

(2) Eligibility as a Custom Processor:

1. The Processing Plant should be registered with State Seeds Certification Agency and License should be valid for the current year ending on 31st March, 2026. The party has to further renew his Seed processing plant license for next consecutive year and so on as per requirement of NSC.
2. The Custom Processor should be experienced in carrying out custom processing of Kharif & Rabi/Summer crop seeds.
3. The Custom Processor should have seed processing machinery like Seed Cleaner cum Grader, Gravity Separator, Seed Treater, Spiral separator, Destoner, Elevator, Flight belt Conveyor, Storage Bin, Weigher Bagger, Sealer, Moisture Meter, bag closer etc. in good working condition so as to complete the processing of above quantum of seed in Kharif & Rabi/Summer Season on time.
4. The Custom Processor should be able to complete the processing of seeds in time limit given as availability of seeds timely for marketing is a crucial parameter for the Custom Processor and NATIONAL SEEDS CORPORATION LIMITED.
5. The Custom Processor should have sufficient trained and professional man-power at the plant. The staff has to be available throughout the year at the plant and if required for running the plant in three shifts, additional qualified and experienced staff will have to be engaged by the Custom Processor.
6. The Custom Processor should be able to run the plant by engaging labours/ handling labours and professional staff with the minimum pay and allowance as applicable as per Government rules and regulations and various Acts and provision of Laws. It will be the responsibility of the Custom Processor to produce all the records to the Government authority like Factories Inspector, labours Inspector, Statistical Department, Pollution Control Office, Shops and Establishment Office, Weights and Measures Office etc. There shall be no liability of the Corporation on this account.
7. The Custom Processor should submit the copy of GST Registration, and PAN.
8. Seed Processing Plant should be approved by the Seed Certification Agency for running the plant.
9. Godown for storage of seeds should be constructed of RCC and brick work and AC/GI sheet roof, should have sufficient plinth height from ground level to avoid dampness.
10. Sufficient availability of water for fire hydrant system and drinking purpose should be available at the plant with either from source of water like well, dam, reservoir, SIDC, Corporation or Nagar Parishad.
11. Required number of labours male and female and additional labours should be made available for processing work.
12. Sufficient lights in the godown and in the open premises of plant should be available and electric bill has to be paid by the custom processor.
13. The Custom processor should run plant in two or three shifts as per the processing load allotted by NATIONAL SEEDS CORPORATION LTD to complete the processing within time limit given by National Seeds Corporation Ltd. In case of load shading/ continuous power failure the custom processor should run the plant by using DG set either owned or hired so that processing should be completed within time limit given by NATIONAL SEEDS CORPORATION LTD. National Seeds Corporation Ltd will not provide DG set, diesel, oil etc. neither NATIONAL SEEDS CORPORATION LTD will bear any extra expenditure.
14. All the stationery, stamp, sample bags, Pen, Pencil, papers, polyethylene bags will be required and will be supplied by NATIONAL SEEDS CORPORATION LTD.

15. Seed certification charges will be paid directly by NATIONAL SEED CORPORATION LTD to the Seed Certification Agency. However, extra shift charges demanded by SCA due to low output/poor grading in the plant will have to be paid by Custom Processors, sitting arrangement for NATIONAL SEEDS CORPORATION LTD Officers and Seed Certification Agency Officers has to be made by the Custom Processor.
16. Sufficient space for sitting and waiting for seed growers and if required for night halt has to be made by the Custom Processor.
17. Rest house for SCA staff for night shifts should be provided by custom processor Sufficient drinking water facility, toilet & bathroom (separate for ladies and gents) etc. should be provided by custom processor Office attendant to SCA and National Seeds Corporation Ltd officers should be provided by custom processor.
18. Separate cupboard with lock and key arrangement should be provided for SCA and National Seeds Corporation Ltd to keep record, tags etc while period of processing by custom processor
19. All the staff, labours and handling labours have to be engaged by the Custom Processor.
20. Any injury caused to handling labour, casual labour, National Seeds Corporation Ltd or SSCA staff while working at custom processor plant for which compensation is to be paid will be sole responsibility of the custom processor for the same.
21. The Custom Processor has to raise the bill and payment will be made by NATIONAL SEEDS CORPORATION LTD at the approved rates within 30days from the date of receipt of bill to Regional office with clear certificate from the NATIONAL SEEDS CORPORATION LTD's officer posted at seed processing plant for supervising the work.
22. The quality of the seed has to be maintained in the storage as well as quality of seeds at the time of processing has to be maintained well as per the directives of NATIONAL SEEDS CORPORATION LTD officers posted at the plant. NATIONAL SEEDS CORPORATION LTD technical staff will direct to operate processing machinery to get good quality as well as optimum low grade. All the standard procedures of Seed Certification has to be followed while processing.
23. No excessive shortages should occur in the seed lots of seed growers due to careless handling, leakages and overages, sweeping and cleaning and bad storages and if occurred the Custom Processor will be responsible and amount will be recovered from the Custom Processor for such wastage, excessive shortages in seed stock as well as in processing materials. In case of theft and fire of seed stock and processing materials or any other material from godown/ premises of Custom Processor, it will be the responsibility of the Custom Processor and cost of such stock/material will be recovered from Custom Processor at rates of seed stock and material, decided by NSC .
- 24. Custom Processor will insure the stock and material against fire, theft, thunder storm, hail storm, strikes, agitations, accidents, burglary & Fraud etc. in the name of National Seeds Corporation limited. In case of any loss to National Seeds Corporation Ltd, SSCA materials and seed stock at custom processor premises then the cost of the same will be recovered at the rate decided by National Seeds Corporation Ltd.. The premium of Insurance is to be paid by the Custom Processor.**

Three (03) cheques in favour of National Seeds Corporation Limited are to be given by the custom processor with an undertaking on his letter pad that NSC is free to present the cheques in case of any loss occurred to the seed/material stored with custom processor, to make good for it's losses and custom processor has to ensure that the cheque is duly honored by his bank.

25. No security or watch and ward charges will be provided by NATIONAL SEEDS CORPORATION LTD and sufficient Security/ watch and ward has to be provided by the Custom Processor. In case of any incident of loss to NSC, it will be recoverable from Custom Processor.
26. Custom Processor or his authorized representative should always be present in the plant to attend to the problems of seed growers, labours, handling labours, Seed Certification Agency and NATIONAL SEEDS CORPORATION LTD.
27. In case of delay in processing, the penalty @ Rs. 50/- per quintal per day will be charged to the Custom Processor for a period of fifteen days and thereafter seed stock will be moved from the plant and it will be processed either at NATIONAL SEEDS CORPORATION LTD own plant or at other plant and full amount of processing expenditures and transport and handling expenses incurred will be recovered in advance.
28. Maintaining the seed stock in good condition, the fumigation, spraying and dusting, cleanliness, sweepage will to be carried out by Custom processor. In no case Custom Processor will deliver the stock or material to any other party or seed grower on his own, without NSC written permission.
29. All the records at Seed Processing Plant like raw seed receipt register, control register, low grade, failed seed register, seed certification register, samples register etc. will be maintained by NATIONAL SEEDS CORPORATION LTD staff and it will be checked and signed by NATIONAL SEEDS CORPORATION LTD officers. All the raw seed receipts and low grade, failed seed gate pass will be issued by NATIONAL SEEDS CORPORATION LTD staff to the seed growers, dealers and NATIONAL SEEDS CORPORATION LTD units. The Custom Processor will have to assist in maintaining records. All records will be in the custody of NATIONAL SEEDS CORPORATION LTD staff.
30. Limited staff like Plant / Shift Incharge may be provided by NATIONAL SEEDS CORPORATION LTD for supervising and running the seed processing plant. It will be the responsibility of Custom Processor to provide sufficient staff, labours and handling labours to run the plant and to maintain the records and management and operation of plant. The intimation letters to seed growers will be given by NATIONAL SEEDS CORPORATION LTD on NATIONAL SEEDS CORPORATION LTD own expenditure.
31. The Custom Processor should keep good liaison with seed growers, NATIONAL SEEDS CORPORATION LTD officers and Seed Certification officers and all concerned Government Officers.
32. If any dispute arises out of the contract will be settled mutually and Arbitrator will be the Chairman Cum Managing Director, National Seeds Corporation Limited, New Delhi, whose decision will be binding on both the parties i.e. NATIONAL SEEDS CORPORATION LTD and Custom Processor.

Payment terms:

1. The 50% payment of graded quantity will be released after receipt of verified Bill from concerned Area Office/Production Centre. Balance 50% payment will be released after completion of the processing work and handling over the left over quantity, certification and packing material in good condition to concerned Area office/Production Centre.
2. It will be responsibility of custom processor to return all processing materials with its account to NSC and Certification materials to SCA with its accounts. Also all records like Control Register, tagging register, tag account register, Gate pass and Release orders etc. should be handed over to NSC and SCA. Also all low grade, empty gunny bags, rejected seed and failed seed should be returned to the seed growers.
3. All taxes will be applicable as per the Government Rules.

Settlement of disputes:

1. In case any dispute arises between NSC and the other party due to any term or matter, both the parties will opt to resolve it through mutual understanding and discussion. In case, dispute remains even after discussion, then it shall be binding upon parties to resolve issue under the provisions of Arbitration & Conciliation Act, 1996 as amended from time to time. Under this provision, the Chairman-cum-Managing Director, National Seeds Corporation Limited with the concurrence of both the parties shall appoint Sole Arbitrator to resolve the issue and both the parties will have to abide by the decision. The parties will bind to resolve this dispute through arbitration before going to court of law. The arbitration shall be conducted at New Delhi and shall be in English Language. The court of Delhi shall have the jurisdiction.
2. **All above payments will be on FINAL GOOD SEED BASIS.**
3. **The payment will be released for the activities done by Custom PROCESSOR BY RTGS from Regional Office after getting certificate on back side of the Bill from NSC, Area Manager.**
4. **Detail draft agreement is enclosed.**

Section- II

General Terms and Conditions:

1. It is the responsibility of the Custom Processor to arrange Generator Set incase electric power supply is off from Electricity Company/ Board or supply source and delay in processing on account of power off will not be tolerated and it will be penalized. Therefore, Custom Processor has to arrange Generator Set either on rent or his own for running the plant for electrification such as lighting.
2. The Custom Processor has to deposit **50,000/-** (Rupees Fifty Thousand Only) as a Security Deposit with NATIONAL SEEDS CORPORATION LTD and Earnest Money Deposit of Rs. **25,000/-** (Rupees Twenty Five Thousand Only) will be adjusted against security deposit and to be provided by way of Demand Draft from Nationalized/ scheduled bank or RTGS with valid proof. In the absence of EMD required with tender it will be rejected.
3. The tenderer's offer rate shall be valid for at least 180 days from the date of opening of the tender.

BANK ACCOUNT DETAIL:-

Payee Name:-National Seeds Corporation Ltd.

Bank:- State Bank of India

Branch:- Sector-V, Salt Lake

AccountNo.-32920585087

IFSC Code:-SBIN0012363

4. All the Court matter will be dealt with New Delhi Court irrespective of location of Seed Processing Plant and irrespective of the dispute arising at location.
5. The custom processor has to ensure that the processing plant is to be cleaned before start of any variety of seed of particular crop.

If it is observed that there is an admixture of good seed, failed seed and low grade or varietal admixture in the good seed intentionally done by the Custom Processor, then the compensation has to be paid by the Custom Processor as all the stock is stored and processed in the Custom Processor's plant.

6. NATIONAL SEEDS CORPORATION LTD reserves the right to terminate the contract of processing at any time with one month's notice to the Custom Processor.

Custom Processing Charges:

The Custom Processor has to quote the processing rates on per quintal basis.

Important

- Total storage period from raw seed receipt to dispatches of passed seed and Low grade, failed seed disposal will be nine months and in case more than nine months storage is required, NATIONAL SEEDS CORPORATION LTD will pay rent @ Rs. 2.00 per quintal per month at taluka level & @ Rs.3.00 per quintal per month at district level for particular crop of each season.
- The taxes will be deducted as per norms.

Instructions for custom processor:

Custom processor should have his own registered processing plant facilities, godown facilities and technical manpower.

Processing rates:

The processing rates will include the following activities;

- Unloading of raw seed/carry over seed.
- Writing grower's name, receipt number, lot number etc on each and every gunny bags. Required ink, color will have to be provided by Custom processor.
- Drawing sample from each and every bag while unloading. Custom processor will have to use his own sampler.
- Checking moisture content of lot. Custom processor will have to use his own moisture meter.
- Bifurcation of sample and preparation of sample by putting sample slip inside sample bag, stitching of sample bags etc to send to QCL. Sample bags will be provided by National Seeds Corporation Ltd. Stitching/sewing machine, thread, stamps etc will have to be provided by Custom processor.
- Stitching of torn gunny bag. Only Jute twine will be provided by National Seeds Corporation Ltd. If National Seeds Corporation Ltd representative desires to change the more torn gunny bag the same have to be changed by new gunny bag provided by National Seeds Corporation Ltd.
- Custom processor will have to unload raw seed / carry over seed at any godown at which raw seed/ carry over seed is to be stored for processing on particular plant.
- Sorting of passed and failed lots in QCL test.
- Processing of raw seed i.e. **lot wise grading of raw seed on air screen seed cleaner, gravity separator, spiral separator seed treatment (slurry or dry).** If National Seeds Corporation Ltd desires to put treatment materials like thiram inside the good seed bags then the packets of the same will have to be prepared by Custom processor. No separate charge will be given for the same. Empty packets will be provided by National Seeds Corporation Ltd for packing, **Weighing of good seed and low grade, Stitching of good seed bags either with tags and labels or without tags and labels.** Stitching of low-grade gunny bags. Printing tags and labels, good seed bags with all required matter. Writing lot number and weight on low grade gunny bag, Bundling of empty gunny bags, Bifurcation of sample and preparation of sample by putting sample slip inside sample bag, stitching of sample bags etc to send to STL/QCL. Sample bags will be provided by National Seeds Corporation Ltd. Stitching/sewing machine, thread, stamps etc will have to be provided by Custom processor. Writing and maintenance of all records i.e. control register, grading/shift register, tagging register, history register, and any record as per directives of National Seeds Corporation Ltd representative and SCA.
- Sorting of passed, failed and result awaited lots.
- Bagging and Tagging of passed lots.
- MRP and other matter printing on good seed bags as desired by National Seeds Corporation Ltd.
- Dispatches of released seed lots for marketing.
- Delivery of failed seed / low grade to successful tenderer called by National Seeds Corporation Ltd. against the written order issued by NSC.
- It will be a responsibility of custom processor to process seed to achieve maximum quality with optimum recovery%.
- There should not be excess/shortage while processing as well as while storage.
- If shortages are excessive or intentional then the same will be recovered from custom processor.
- It will be a responsibility of custom processor to satisfy seed growers by intimating them about processing, by giving proper attention to them. Behaviour with NATIONAL SEEDS CORPORATION LTD seed grower should be courteous and polite.
- If SSCA or National Seeds Corporation Ltd representative find that grading is not done satisfactory then such quantity is to be again graded and no additional charge will be given to custom processor.
- Entire electrical bills will be paid by custom processor.
- Responsibility of National Seeds Corporation Ltd is to provide all processing materials required for packing of good seed. All other miscellaneous processing materials like ink, colour, printing facilities, rubber stamps, stencils etc will have to be provided by custom processor.
- Accounts of all seed, processing materials and seed certification materials will have to be kept by custom processor. Any loss to the same will be recovered from custom processor.

Storage of seed

1. It will be a responsibility of custom processor to store raw seed, good seed, marketable seed as well as low grade and empty gunny bags of seed grower in proper and good condition.
2. It will be the responsibility of custom processor to keep seed without infestation by chemicals, equipments and covers etc required to keep seed free from infestation.
3. Any loss to seed in storage or in transit after receipt i.e. due to infestation, rodents, theft, fire, rains, hail storm, strikes, accidents or by any reason will have to be borne by Custom processor.

FINANCIAL BID
To be Submitted Online

Section-IV

1. Fresh Grading and packing rates (first grading and packing rate) : This includes all operations like conveying raw seed to the seed processing machinery and stacking the raw seed lot wise, opening the bags and feeding to elevator and conveyor, weighing of good seed and low grade with lot wise stacking, sampling(QCL/STL). This will also include all the operations like opening the bags of graded seeds, weighing in standard packing weight, filling in seed containers, stitching tagging printing of seed containers, filling in outer packing bags ,stacking & bundling of empty gunny bags and its stacking.

2. Re-validation (without grading):- This includes all operations like carrying to working place, Lot wise sorting, sampling (QCL/STL), filling in bags & tagging, stitching, carrying bags and its stacking etc. complete.

3. Indirect Re-validation (with grading):- This includes all operations like Lot wise sorting, opening of small bags and bulking, filling bags, stitching gunny bags, carrying bags to the seed processing machinery and stacking lot wise, opening bags for feeding to the elevator and conveyor, weighing of good seed and low grade, sampling, bagging, tagging, printing of seed bags, tags&labels, stitching, filling bags in gunny bags, carrying gunny bags and its stacking etc. This will also include all the operations like opening the bags of graded seeds, weighing in standard packing weight, filling in seed containers, stitching tagging printing of seed containers, filling in outer packing bags ,stacking & bundling of empty gunny bags and its stacking.

S.No	Name of Crop	Packing Size	(1) Fresh raw seed grading and packing rates for 1 st grading (Rs. Per Qtl- including all taxes) Good seed basis <u>(including godown storage charges)</u>	(1) Fresh raw seed grading and packing rates for 1 st grading (Rs. Per Qtl – including all taxes) Good seed basis <u>(Excluding godown storage charges)</u>	(2) Revalidation (without grading) Rate (Rs. per Qtl.- including all taxes)	(3) Indirect Revalidation (With grading) Rate (Rs. per Qtl.- including all taxes)
1	Paddy	1-5 Kg.				
		6-10 Kg.				
		10-20 Kg.				
		25-30 Kg.				
2	Lentil/ Lathyrus/Blackgram/ Greengram	1-4 Kg.				
		5-10 Kg.				
3	Mustard/ Toria/ Sesame	1-2 Kg.				
		3-5 Kg.				
4	Maize/Hyb. Maize	1-4 Kg.				
		5-10 Kg.				
5	Groundnut	10-20 Kg.				
		20-30 Kg.				
6	Arhar	1-4 Kg.				
		5-10 Kg.				
7	Niger	1-4 Kg.				
8	Other Crops	As per the SSC Standard/ Requirement of NSC				

Note:-

- 1) **Fumigation covers/Sprayer is to be arranged by custom processor however fumigant/spraying chemical will be provided by NSC. No separate charges will be paid on this behalf.**
- 2) Cleaning and sweeping of plant and godown will not be paid by NATIONAL SEEDS CORPORATION LTD and it is the responsibility of the Custom Processor to engage labours for this operation and no separate payment will be made for such services.
- 3) For printing of crops and varieties, MRP at the time of advance tagging and for printing of gunny bags and cloth bags at the time of first grading will not be paid separately and it is the responsibility of the Custom Processor to provide labours for this work. The material like ink, stencil, Slips, etc should also be provided by Custom Processor.
- 4) Printing/ stamping of truthful labels and tags is the responsibility of the Custom Processor and the labour charges for this are included in the processing contract rate and no separate charges will be paid for this work to the Custom Processor.

I have read all the terms and conditions of this processing contract and I am offering these rates for custom processing with full knowledge of processing operations in plants.

Checklist for Technical Evaluation

Sr. No	Particulars of documents	Enclosed (Y/N/NA)
1.	Tender document Fee Rs.1180.00/- to be paid online	
2.	Earnest Money Deposit Rs. 25,000/- to be online	
3.	Supporting documents regarding Experience about processing work done By the Custom Processor from private or Public /Government Seed Companies.	
4.	Registration of plant with State Seeds Certification Agency of the state.	
5.	Signed and stamp copy of bid document as token of acceptance of bid terms & conditions	
6.	Section –III duly filled and signed by the bidder	
7.	Copy of PAN card with ITR of last 02 years duly attested	
8.	GST Registration photocopy duly attested.	
9.	Photocopy Aadhaar Card duly attested.	
10.	Bank Account Details duly attested.	
11.	Party Details- Name &Address of the Party	
12.	Contact Person Name	
13.	Contact No.	
14.	Email Id
