Subject: Non submission of report on Sub-standard seeds.

Please refer to QC division note issued vide file no QC/(17)NSC-HO/2018-19 dated 05-06-2018 seeking monthly information in enclosed format for sub-standard seed stocks and its status. Minor changes/additions made in the existing format. It has been intimated that certain RO's and Farms are not sending the details inspite of regular persuasion by emails and telecons by QC division. QC division has been directed to submit MIS report to CMD through Director (Finance) to review monthly progress for disposal of sub-standard & condemned seeds.

It is further directed to furnish the total stock status (sub-standard) as on 30-11-2018 in part A of the said format for the Region/Farm including all AOs/Production centers/ farms/seed stores etc under the Region/Farm, which should tally with part B, C & D of the statement. In case any qty left unadded in part A will not be considered later on and the concerned RM/Director/Area Manager will be solely responsible. Hence include all such stocks as on 30.11.2018 in part A without fail.

The above details for the month of November (upto 30.11.2018) must be sent to QC division by 15th December 2018 and from December onwards regularly on or before 7th of next month. ADGM(QC) to submit consolidated format under MIS on or before 10th every month to CMD through D(F).

This is for strict compliance and non compliance will be viewed seriously.

(V. Mohan)
Director (Finance)

Encl: Revised format.

To: All Regional Manager/Director (Farms) /SGM(P)/SGM(F)/Ad. Gm (Farms)/Ad. Gm (QC)
Copy to : CMD for information.
